

Supplier Declaration / Statement

Material: **All BPI products**
Quality: **All BPI grades**
BPI art no.: **n/a**

On ongoing basis we monitor all relevant environmental and occupational health and safety acts to ensure that, to the best of our knowledge, our activities are compliant with established legal requirements. The Supplier Declaration embodies our commitment to further BPIs values and principles to sustainable development deeply rooted in our business.

At Bramming Plast-Industri A/S we work according to the rules that apply to us, to the best of our knowledge. Upon customer requests to fill in declarations, we must inform that we have made, and maintain, a compliance list, listing laws, rules, regulations, statements of intents, policies and standards that we comply to. This to be provided as reply to your request, because BPI as pr. our policy, cannot comply to completing and signing various declarations from customers. Specific requirements not listed on BPI compliance list should be handled in accordance with your trade agreement. The BPI compliance list, as well as relevant certificates, are available at our web-site.
